## Complete domination of the Bucks Junior Closed

# All Eight Titles .. Again!

**C**ippenham players once again won all the titles when the Buckinghamshire County Table Tennis Association staged its Junior Closed Championships at Cippenham on 23<sup>rd</sup> November. In fact, such has been the domination of Cippenham players in this annual event that only one title out of over fifty has eluded the Club in the last seven years.

David Hayes was the boys' star, winning all three events for which he was eligible. In the Junior Boys' Singles he beat Chris Hansell three-straight in a high-quality final and in the Cadet Boys' Singles he had a much more simpler task of defeating Dean Street. David also combined with Chris to easily overcome Alex Hales and Joel Toley in the Boys' Doubles final. The other boys' event, the Under-13 Singles was won by Chris Witchell.

David Hayes and Chris Hansell took the major boys' titles

Cippenham supplied four different players to win the girls' events. Gemma Chapman, nationally ranked fifth, had no trouble in taking the Junior Girls' Singles, overcoming Eleanor Tweedy in the final. Katie Rule beat her Cippenham colleague Stephanie Mitchell to win the U13 Girls' Singles while Sylvana Bielec won both the Cadet Girls' Singles and the Junior Girls' Doubles, the latter in combination with Jenny Hansell.

## Volunteers - the Lifeblood of this Club

I have recently been appointed as the club's Volunteer Champion and I wanted to take this opportunity to let people know what I think this might involve.

All of our volunteers are extremely valuable to us and we want to foster a greater sense of belonging to a team of volunteers. We hope to be able to give every new member a more structured learning process by possibly attaching

them to a more experienced Club member and giving them written information about the Club and its processes. Our aim is to also develop our current volunteers by keeping them more informed of current developments and by encouraging them to participate in training events. Anyone who wants to attend any training courses which will benefit the Club should talk to me as there is every chance that the Club will fund such courses.

And lastly, we want your ideas. If you think we could do something better then tell me and I'll ensure it receives consideration.

I very much hope my new role will help you to get greater enjoyment out of volunteering and act as a focal point for our band of willing and essential helpers.

Jacquie

You don't have to get down on your back like Alan to be a volunteer for Cippenham Table Tennis Club. There are many other less demanding small roles that need fulfilling. How about starting by running the bar one evening or doing a turn at Duty Officer? Perhaps you would like to qualify as a Level 1 Umpire. You know what to do - contact Jacquie on 01344 884331.

In common with all other amateur sports clubs and many other organizations besides, this Club is run by volunteers. Without these people there would be no Cippenham TTC nor would there be any competitions into which to enter our players and teams. We are fortunate to have a great band of people at Cippenham - and, compared to many other organizations, we have people with a fantastic range of skills, incredible commitment and a great deal of vision and wisdom. Not that we can afford to become complacent.

So it is with this in mind that we have decided to pay more attention to the recruitment, training and retention of volunteers. This was the main thrust of the message received at the recent ETTA conference held at Cippenham, and it is also a major current focus by Sport England with its Volunteer Investment Programme (VIP).

Jacquie Lovell has been appointed as our Volunteer Champion and it is her task to implement this strategy. Please read her accompanying message (<<<<).

## Veterans Lead the Way at Half-Way Stage

Cippenham made a great start to the new season in the Veterans' British League and lead the way at the top of Division 2 at the half-way stage. Clive Payne maintained his career never beaten record in the League and has now won all forty of his matches over four seasons. Backed up by superb performances from Mike Rhodes and Paul Baker who both won eight of their ten matches, Cippenham are in a good position to win promotion when the second half is staged at Doncaster in February.

The first series of matches were staged at Stoke-on-Trent over the weekend of 16/17<sup>th</sup> November. Cippenham started with a 3-3 draw against Thompson Insurance, the Northumberland team that eventually finished in second place one point behind them. Clive Payne led with

two wins over Geoff Salter and Malcolm Lusk while Mike Rhodes beat John Williamson to put Cippenham 3-2 up.

After that the team never looked back, winning all their other four matches and only dropping one set in the process. That was in the second match against Merrow when Mike lost to Ramesh Bhalla. Clive won his customary two as did Paul who enjoyed good wins over John Callcut and former Cippenham player Tim Heaps.

The weekend concluded with three straight 6-0 wins. South Essex were the first to suffer on Saturday evening then Plymouth Extremes succumbed on Sunday morning followed by OLOP (Reading) on Sunday afternoon.

## IT'S EVANS AND EVANS - FIRST AND SECOND IN SOUTHERN REGION TRIALS

Cippenham players again dominated the Southern Region Junior Trials held at Cippenham on 24<sup>th</sup> November. In the boys' competition our players filled the top three positions and seven of the first nine while in the girls' competition, it was the top two and seven of the top eight. These results, with top player Gemma Chapman excused because of her high national ranking, demonstrates the Club's profile in an area that encompasses Buckinghamshire, Berkshire, Oxfordshire, Hampshire and the Isle of Wight.

It was a good day for the Evans family. The three brothers between them occupied the top two and eighth positions, an incredible achievement for such young players in an under-18 regional trial. 13-year old Bradley Evans finished the day unbeaten and in top spot but he was taken all the way by his 9-year old brother Gavin. That was Gavin's only loss of the day, a fact which emphasises his immense talent – it is doubtful if he has an equal at his age in Europe, certainly the England coaching staff are not aware of any. David Hayes completed the trio of Cippenham players at the head of the boys' list while Chris Hansell finished fifth,

Gavin and Bradley Evans show off their trophies

James Milton seventh, Myles Evans eighth and Stuart Tweedy ninth.

13-year old Melanie Farquhar won the girls' event, losing only to third placed Jenny Dobson. Emily Tucker took the runners-up spot by virtue of her win over Dobson but lost out on top spot because of her loss to Melanie. Cippenham players also finished in the next four positions – Sylvana Bielec (4), Caroline Linz (5), Eleanor Tweedy (6) and Jenny Hansell (7).

## The Karen Mitchell Memorial Fund - an explanation

Dear Editor,

I've recently heard people talking about the Karen Mitchell Memorial Fund. Can you tell me a little more about this?

Gemma Chapman

Response from Jacquie Lovell:

The KMMF is a fund which was set up a few years ago to provide financial assistance for children's activities which includes support for children who may, for one reason or another, need help with expenses incurred in the pursuit of table tennis. The fund was started with a very generous donation by Charles Mitchell and his family in memory of Karen who contributed a great deal to the Club and always had the interests of children at heart. The Fund is now managed by a committee comprising Charles Mitchell, Frankie Butterworth and Jacquie Lovell who would be delighted to receive any requests provided they are endorsed by a member of the Management Committee and are for young, enthusiastic members of at least 2 years' standing.
