

CIPPENHAM TABLE TENNIS CLUB

ANNUAL REPORT 1978-1979

Introduction

Although when compared to the previous season 1978-1979 can not be regarded as particularly successful in respect of awards won, it was however a year of consolidation and expansion.

One additional team was introduced to the senior divisions of the Slough & District League and two more added to the newly formed Youth Division.

We welcome the many new players who have represented the club during the last season and our current membership stands at forty-four, an increase of ten. Due to the adoption, at last year's Annual General Meeting, of a rule enabling non-members to play occasionally for the club we had a total of fifty-three players registered with the League.

The season was also notable for our first entry into the National Club Championship, a competition for which we qualified by winning the Slough & District League in season 1977-1978.

The club also took a team to Oostende in August for a pre-season friendly, thus retaining our contact with T.T.C. Drive.

Performance in the Leagues

The top of the first division of the Slough & District League was considerably strengthened and our top team had to be content with third place. The Villains, as defending champions, were expected to put up a fight to retain the title but due to changes in personnel finished only sixth.

This season, of course, was the first time we had fielded four teams in the top division and the lower two were always bound to struggle, especially as we were not over blessed with Division One standard players at the start of the season. Luckily Dave Pountney made a timely return to the club and was chiefly responsible for the Buccaneers remaining in the top flight, and personally finished second in the averages.

In Division Two the Bandits struggled a little after losing Ann Finlay through injury but escaped relegation, whereas the Vagabonds finished bottom of the pile.

Luckily the Rascals won promotion from Division Three and therefore replace the Vagabonds to retain a state of equilibrium. Frank Cowley, in his first season for Cippenham, came second in the divisional averages.

The Brigands in Division Four looked all set for promotion, if not the championship, at one time, but after taking nineteen points from their first eleven matches could manage only eight from the last eleven matches and were somewhat fortunate to finish fifth.

The two new teams in the Youth Division did not make any headlines but the players are young and hopefully our Youth Division policy will produce good players for the future.

In the Maidenhead League we fielded one side in Division One which worked basically from a squad of six and finished a creditable seventh.

For the fifth time in succession a Cippenham side reached the final of the Dilger Cup but, like last season, lost to Calor Gas.

Cippenham lost their hold on the Summer League title when the first team finished second. Also runners-up in their division were our sixth team in Division Five.

Club Championships

Dave Pountney became the new Cippenham champion at his first attempt when he beat Steve Brown in the final and also combined with his victim to win the doubles.

Steve Kelly won the Junior Singles for the second year in succession while Hugh Murray took the Handicap Singles and Sid Dugan and Linda Smith claimed the Handicap Doubles.

The championships were more successful than last year with twenty-four players competing. As last year the event was held on a Saturday but this time not starting until the afternoon and extending late into the evening. The policy of allowing a reduced entry fee to players entering all events proved very successful with far greater participation so that three tables were kept busy for seven hours before the finals session.

Representative Honours

Ann Finlay became the first player to play for a county senior team while with Cippenham and once again the club supplied the majority of the players for the Slough mens' teams.

Management Committee

The club was controlled by Peter Hillier (Chairman), Graham Trimming (Secretary), Dave Lee (Treasurer), Linda Smith and Bob Milne, and our thanks go to all the team captains for their work.
